

Blue Eyes Crying In The Rain

Drop D Tuning

D

In the twilight glow I see her

A

Blue eyes crying in the rain

D

As we kissed goodbye and parted

A

D

I know we'd never meet again

G

Love is like a dying ember

D

A

Only memories remain

D

Through the ages I'll remember

A

D

Blue eyes crying in the rain

Now my hair has turned to silver

All my life I've loved in vain

I can see her star in heaven

Blue eyes crying in the rain

Someday when we meet up yonder

We'll stroll hand in hand again

In a land that knows no parting

Blue eyes crying in the rain
