A.P. Carter

D
Way down below the Mason Dixon line
D
Down where the honeysuckles are entwined
A
There's where the southern winds are blowing

D
Girls up north in their gay finery
D
Whirlin' around in the society
A
Singing songs about my dixie darling
A **D**
Where I long to be

Chorus:

D
My dixie darling, listen to the song I sing
D **A**
Beneath the silver moon,
D
With my banjo right in tune
D
My heart is ever true,
D
I love no one but you
D **A** **D**
My dixie darling, my dixie queen

Instrumental break here (verse & chorus)

Goin' down south to have a big time
See my gal in old Caroline
Drink my booze and do as I please
For that gal I long to squeeze
And I'm singing songs about my dixie darling
There's where I long to be going
Down where the jelly rolls growing
To meet my dixie queen

Chorus
