

I Still Miss Someone

G C D

At my door the leaves are falling

C D G

A cold wild wind has come

G C D

Sweethearts walk by together

G D G

And I still miss someone

I go out to wild parties

And look for a little fun

But I find a darkened corner

'Cause I still miss someone

G C D G

Oh, I never got over those blue eyes

C D G

I see them every where

C D G .. Em

I miss those arms that held me

C D G

When all the love was there

I wonder if she's sorry

For leavin' what we'd begun

There's someone for me somewhere

And I still miss someone

Oh, no I never got over those blues eyes

I see them every where

I miss those arms that held me

When all the love was there
