

I'm Gonna Be A Country Girl Again

-- Buffy Ste. Marie

A

The rain is fallin' lightly on the buildings and the cars

A

I've said goodbye to city friends, department stores and bars

D

The lights of town are at my back, my heart is full of stars

A

E

A

And I'm gonna be a country girl again

Chorus:

D

Oh yes I'm gonna be a country girl again

A

D

With an old brown dog, and a big front porch

A

E

A

And rabbits in a pen

A

A7

I tell you, all the lights on Broadway

D

Don't amount to an acre of green

A

E

A

An' I'm gonna be a country girl again

I spent some time a studying, I've taken my degrees

I've memorized my formulas and my A's and B's and C's

But what I know came long ago and not from such as these

And I'm gonna be a country girl again

Chorus

I've wandered in the hearts of men looking for the sign

But here I might learn happiness, I might learn peace of mind

The one who taught my lessons was the soft winds through the pines

And I'm gonna be a country girl again

Chorus

Oh yes I'm gonna be a country girl again

With an old brown dog, and a big front porch

And rabbits in a pen

I tell you, all the lights on Broadway

Don't amount to an acre of green

An' I'm gonna be a country girl again [fade]
