Jo Ellen and George Doering of the Brombies

C
Down inside (Deep down inside)
F C
There, where miracles abound,
C
There, just waiting (There, just
waiting),
G
Oh, waiting to be found
C
Straight from heaven (Straight from
heaven),
F Am
From that starry crown,
C F C G C
Is a little, bitty piece of God.

It's amazing (it's amazing)
All the treasures lying there;
And the joy (yes, the joy),
And the peace beyond compare;
All the answers (all the answers),
To our every prayer,
In that little, bitty piece of God.

Chorus:
F
Like a beacon in the night
C
Shining brightly from the shore
C F C G
It will guide us safely home.
C
From the moment we leave heaven
F Am
To our last day here on earth,
C F C G
We've got that little, bitty piece of
C
God.

Oh happy day (oh, happy day)
When we remember who we are.
And we've traveled (yes we've
traveled)
Yes, we've traveled oh, so far.
On our journey (on our journey)
Just to find out that we're all
Just a little, bitty, piece of god.

Chorus (2x)
We've got that little, bitty, piece of
God,
Yes, we're all a little piece of God.
