

Love Is Worth The Wait

Gwen Gunderson

G
I used to look around me
G **Am**
Seeing friends fall so easily in love
C
Love
C **G**
They said it was forever, and that's fine,
Am D G
But I never believed it, till I made you mine

Chorus:

G C D G
Now I know love is worth the wait
C D G
Love is worth the wait
G C Em D
And I know love's a treasure true
C D G
Love, I'll wait for you

My heart was a treasure
Buried deep in the ocean till you came
Came
And freed me from under a deep sleep
Like a beauty awakened, with your love to keep

Chorus

Scat sing one verse

Chorus

My life seemed so empty
Always dining in restaurants alone
Alone
But you saved me from starving all alone
Filling all the hunger that I had ever known

Chorus

Yes, I know love is worth the wait
Love is worth the wait
And I know love's a treasure true
Love, --- I'm glad I waited for you
