

# Peacemaker

SteelDrivers

**Am**

I'm a cool 3 lbs of cold blue steel

**Am**

I shoot even better than the way I feel

**Am**

Made to fit right in your hand

**Am**

Why I'll never understand

I coulda been a hammer or a railroad spike  
I coulda been a train rollin through the night  
But they gave my voice such a terrible sound  
That I wish they'd left me in the ground

**Am D Am**

*I'm a peacemaker*

**Am**

*Don't know how I got my name*

**Am D Am**

*I'm a peacemaker*

**E7**

*If I don't deserve the credit*

**E7 Am**

*Why do I deserve the blame*

When the lion lays down with the lamb  
then you won't find me in nobody's hand  
till that time I will remain  
till the sinners lay down with the saints

*I'm a peacemaker*

*don't know how I got my name*

*I'm a peacemaker*

*if I don't deserve the credit*

*why do I deserve the blame*

I'm a cool 3 lbs of cold blue steel  
I shoot even better than the way I feel

Bass line is walk up: **A C D E**, repeat after end of each line. Chords would be Am C G Am
