

## Twenty Twenty Vision

**A**  
I've been to the doctor, he says I'm all right

**D** **A**  
I know he is lying, I'm losing my sight

**D** **A**  
He should have examined the eyes of my mind

**A** **E** **A**  
Twenty-twenty vision and walking round blind

Ever since she's gone and left me I feel so alone  
I carry a heart that is heavy as stone  
I knew that she cheated, I knew all the time  
Twenty twenty vision and walking round blind

You just couldn't know her the way that I do  
You tell me she's wicked and maybe it's true  
But one thing I do know she's no longer mine  
Twenty-twenty vision and walking round blind

I've lost her I've lost her oh what shall I do  
I'll bet you're not happy as she's there with you  
The eyes of your heart will have trouble like mine  
Twenty twenty vision and walking round blind
