

Walk Me Out In The Morning Dew

Bonnie Dobson

A **G** **D** **A**
Walk me out in the morning dew, darling

A **G** **D** **A**
Walk me out in the morning dew today.

D **C** **G** **A**
Can't walk you out in the morning dew, darling,

D **C** **G** **A**
Never walk you out in the morning dew again.

I thought I heard a young man moaning, darling.
Thought I heard a young man moan today.
You didn't hear no young man moaning, darling.
You'll never hear that young man moan again.

Thought I heard a baby crying, mama, mama,
Thought I heard a baby cry today
You didn't hear no baby crying, mama, mama,
You'll never hear that baby cry again.

Where have all the people gone, darling?
Where have all the people gone today?
Don't you worry about those people no more, darling,
You'll never see those people here again.

Walk me out in the morning dew, darling.
Walk me out in the morning dew, today.
Never walk you out in the morning dew, darling.
Never walk you out in the morning dew again.
