

# Wheels

Gram Parsons

**D**                    **C**    **G**                    **D**  
We've all got wheels to take ourselves away  
**D**                                    **A**                                    **D**  
We've got telephones to say what we can't say  
**D**                    **C**    **G**                    **D**  
We all got higher and higher every day  
**G**            **D**    **A**                                    **G...D**  
Come on wheels take this boy away

**Bm**            **A**            **G**  
*We're not afraid to ride*  
**Bm**            **A**            **G .. A**  
*We're not afraid to die*  
**G**            **D** **C** **G**                                    **D**  
*Come on wheels take me home today*  
**G**                    **D**            **A**                                    **G...D**  
*So come on wheels take this boy away*

## *Instrumental Break*

Now when I feel my time is almost up  
And destiny is in my right hand  
I'll turn to him who made my faith so strong  
Come on wheels make this boy a man

*We're not afraid to ride*  
*We're not afraid to die*  
*come on wheels take me home today*  
*So come on wheels take this boy away (2x)*
