

When You Taught Me How To Dance

Katie Melua

A D A
When you taught me how to dance
A Bm E
Years ago with misty eyes
A D A
Every step and silent glance
A E A
Every move a sweet surprise

A E A E
Someone must have taught you well
C D A
To beguile and to entrance
A D A
For that night you cast your spell
A E A
And you taught me how to dance

Light reflections in a lake
I recall what went before
As I give, I'll learn to take
And to be alone no more

Other lights may light my way
I may even find romance
But I won't forget that night
When you taught me how to dance

F#m E Bm
Cold winds blow
F#m Bm A D E
But up on those hills you'll find me
F#m E Bm
And I know
F#m Bm A D E
You're walking right behind me

A D A
When you taught me how to dance
A Bm E
Years ago with misty eyes

Every step and silent glance

Every move a sweet surprise

Someone must have taught you well
