

White Snow Dove

Magna Carta

Am **G**
When the last of the wine has sunk in the jar
F **Em** **Am**
And sleep fills my weary eyes,
Am **G**
Then I see mylove, like a white snow dove,
F **Em** **Am**
Like a white snow dove she flies.

C **Dm**
Both she and I are ships that sail
Am **E7**
For a league on the rolling sea,
Am **G**
And I see my love like a white snow dove,
F **Em** **Am**
Like a white snow dove flies she.

Instrumental break (verse)

C **Dm**
Come stay by me, and lay by me,
Am **E7**
Come pass the long night away.
Am **G**
For you fly, my love, like a white snow dove,
F **E7** **Am**
Yes, you fly like a dove to me.
